

Yes, We Can

Reduce Global Warming!

We Already Have

**A Free Public Lecture
by**

**Dr. Peter L. Ward
Teton Tectonics**

Jackson Hole Center for the Arts

Sunday, February 22, 7:30 pm

**Brought to you by the National Geosciences Foundation and the
Geologists of Jackson Hole**

**Learn how man caused global warming
and
how man unintentionally slowed the increase
of global temperatures beginning in 2000**
